Israel in five cantons

255 local authorities, grouped by how they voted in the five elections of 2019–2022

The five cantons

METRO Tel Aviv
52 municipalities · Right 41% · Center 39%

RIGHT Jerusalem & South
61 municipalities · Right 53% · Haredi 22%

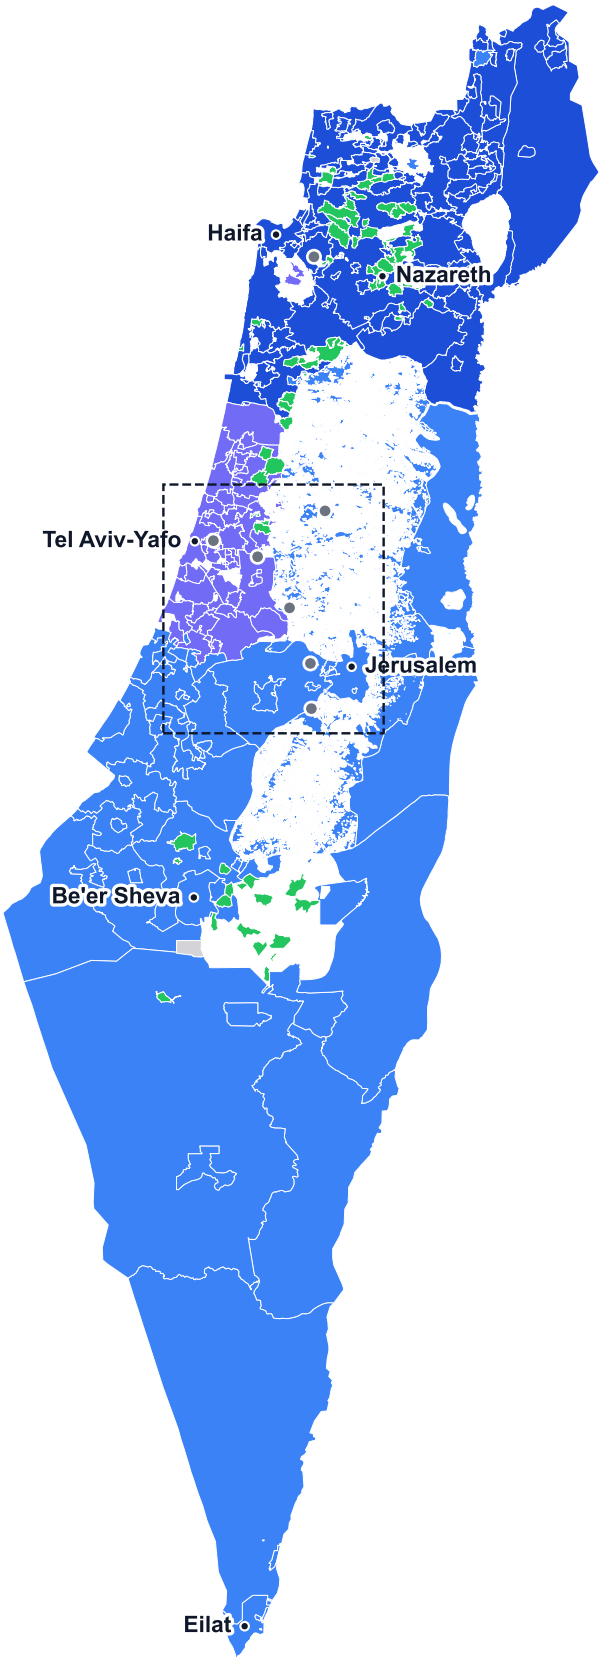

RIGHT North
75 municipalities · Right 45% · Center 31%

ARAB
60 municipalities · Arab lists 90%

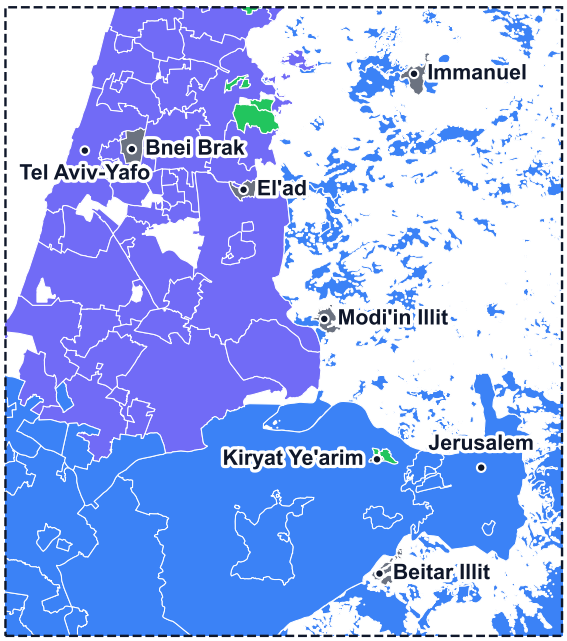

HAREDI Cities
7 municipalities · Haredi 90%

No results in every election

Outside the municipalities analysed

The centre, enlarged

A canton need not be one piece: the Haredi cities, and the Arab towns from the Galilee to the Negev, are grouped by how they vote, not by shared borders.

219 of 255 municipalities stay in the same canton when each election is divided on its own.

Adir Elmakais and Dr. Oren Glickman, Bar-Ilan University · Prof. Julia Elad-Strenger, Bundeswehr University Munich
